

# MEET THE TEACHER

Carolyn Tortola

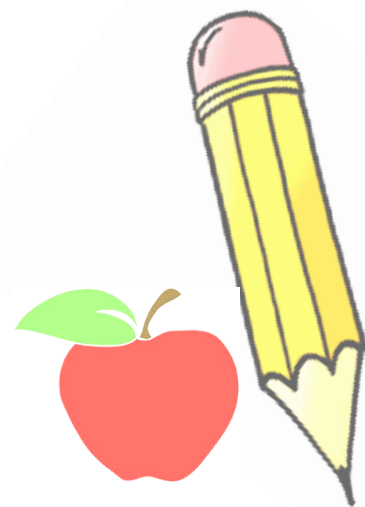

## THE BASICS!

Hi my name is Carolyn. I am 29 years old. I live in Pesche, Isernia with my husband Giovanni and our five year old son Luca. I enjoy travelling, reading, any outdoor activities, the beach and most of all, spending time with Luca! This is my second year as an English teacher with Accademia Britannica and I am super excited to welcome new and former students to my classroom!

## MY CHILDHOOD!

I grew up in Windsor, Ontario, Canada which is the southernmost city in Canada. My parents were both born in Molise and they raised my twin brothers and I proud to be both Italian and Canadian. I spent most of my childhood years learning to play the piano, building huge lego cities, reading books and shopping with my cousins and girlfriends.

## MY EDUCATION!

In June of 2009, I graduated with a Bachelor of Science from the University of Windsor. I also minored in Italian Language, Literature and Culture Studies. I then continued my studies in Detroit, Michigan where I specialized in respiratory therapy. In 2010, I obtained my TEFL certificate with the hope of teaching English in the future.
