

MEET THE TEACHER

Maria Albanese

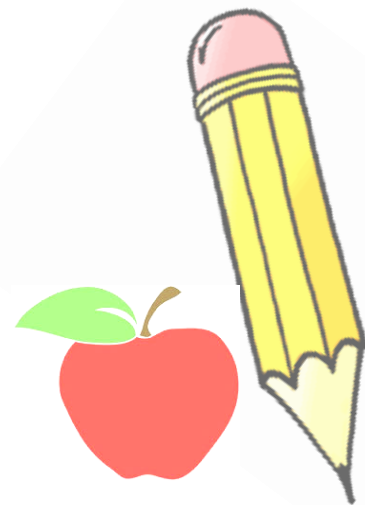

THE BASICS!

Hi my name is Mrs. Maria Albanese. I live in Bojano with my husband, 3 children and Raul, our black Corso dog. I enjoy travelling, cooking and being with friends and family. I will be your child's English teacher for the 2016-2017 school year! This will be my 6th year teaching at Accademia Britannica and I am excited to make it my best year yet!

MY CHILDHOOD!

I was born and raised in Toronto Canada. My parents are of Italian origin and I have always considered myself both Canadian and Italian. Toronto was a great city to grow up in, full of opportunities for everyone! Amazing sports facilities and beautiful nature bike trails were just minutes from my home. I spent my free time either skating at the ice arena or biking through nature trails. Toronto not only provided fun but I, and every one of my friends, always had a part time job as a teenager. Before becoming a teacher, I was a cashier at the local grocery store, and I can honestly say that I loved that job almost as much as I love teaching!

MY EDUCATION!

I graduated with a Bachelor of Education from the University of Toronto and I went on to obtain my TESOL and CELTA qualifications after that.

MY FAVOURITES!
